NEOMACT ACADEMY CERTIFICATE

This document certifies that Francisco APARÍCIO has successfully completed the course entitled « Advanced Modules ».

The ‘NEOMACT Academy - Climate - Environment’ course is an online training programme developed in partnership with Axa Climate that allows participants to strengthen their knowledge of climate change, biodiversity loss and resource depletion. It provides an understanding of major environmental issues and how to take action as a citizen and in the workplace.

Issued on 11/9/26 by Neoma Business School
